5 January 1963

MEMORANDUM FOR: Executive Director  
FROM : Acting Director of Central Intelligence

Please call the attached memorandum on [redacted] to STAT  
the DCI's attention. I signed it at Bud Wheelon's and [redacted] STAT  
joint request. It is designed to provide a joint viewpoint as to the  
benefits and degree of retrofit we should undertake (which could cost  
upwards of [redacted]) for continuation of some visual sensings on  
missile activities. This action is designed in particular to forestall  
a unilateral Air Force consideration of the same problem.
